SIR

With reference to your official memorandum No L 3565 dated 22nd September 1943 forwarding for report a copy of the petition presented by one Mr L Linganna, Vice-President, Bannur Municipal Council, complaining that he has been ordered to hand over charge of his office to the President of the Municipality, I have the honour to state that Mr Linganna tendered his resignation of his own accord to his office on 27th May 1943, which was accepted by the Municipal Council at their meeting held on 29th May 1943, when Mr. Linganna was also present Under the provisions contained in Section 13 of Minor Municipalities Act, the resignation of Mr. Linganna will have effect from the date of his notice and consequently he ceased to be the Vice-President automatically and his place is deemed to have become vacant from the said date. Subsequently on 29th June 1943, Bye-election was held with the result that one Mr. T. Ramiah was elected to the place and the Municipal Council passed the resolution declaring him as Vice-President of the Municipality. The question as to the validity or otherwise of the election is under correspondence and consideration. In spite of the above facts, Mr. Linganna continued to work as Vice-President without handing over charge of his office to the President which was against rules and as there was no provision of law for him to function as Vice-

13

Vice-President any longer after he voluntarily tendered resignation. This fact was noticed by me when the papers came up for orders. Since the continuance of Mr. Linganna as Vice-President was illegal and opposed to rules, I have ordered that the Amildar President should take charge of the Office of Vice-President from Mr. Linganna who should not be allowed to handle the papers or manage the affairs of the Municipality.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

To

H B Gundappagowda, Esq , B A , B.L., Minister for Local Self-Government and Public Health, Govt of Mysore, Bangalore

Respected Sir,

Regarding Vice-President for Bannur Municipality

We, the Councillors of the Bannur Municipality, beg to invite kind reference to our joint-representation dated 1-9-1943 submitted to your goodself and to state with much regret that the Bannur Municipality has not yet been given the benefit of the services of the newly elected Vice-President Mr T Ramiah who was elected unopposed and with unanimous approval of the Councillors It may kindly be observed that the Council's resolution on this subject was submitted to the Deputy Commissioner, Mysore District, on 5-7-1943, for kind approval and confirmation that after repeated representations, it was kindly ordered in September last that the Amildar-President is to take over charge from the retiring Vice-president Mr L Linganna that since september last, the offices of both the President and the Vice-President are being vested in only one person-- the Amildar, thereby the privilege of our Municipality of having a non-official elected Vice-President is hampered much to the disadvantage of our Municipality

We may kindly be permitted to submit that it was with the sole aim to raise the level of our Municipality in all respects, to effect improvements and to usher in fresh schemes, compatible with the village-upliftment plan of our able Minister for Local-self-Government, that we agitated for the replacement of the existing Vice-President by a more diligent, studious and capable person, whom we found in Mr T Ramaiah

Though nearly four months have elapsed since the unopposed election of Mr T Ramiah and nearly two months have elapsed since the Amildar-President took over charge of the office of the Vice-President also, it is with much reluctance, we have to submit that the

P T O

17

Council's resolution of 29-6-1943 on this subject has not yet been duly confirmed and communicated Unfortunately, needless delay is being caused which has frustrated our aims and ambitions The affairs of the Municipality under the present circumstances are not such as to be desired in the best interest of our Municipality

Several representations were also made to (1) The Sub Division Officer, Nanjangud and (2) the Amildar to expedite the matter, but to no purpose The matter was also submitted in detail to our genial Minister For Local Self-Government with the fervent hope that our grievances would be redressed immediately, so that our ambition for making our Municipality a model one, could be realised in the near future

In conclusion, we beg in the best interests of our Municipality, that necessary orders may kindly be passed confirming the unopposed election of Mr T Ramiah as Vice-President and handing him over the charge of the office immediately

We beg to remain,
Respected Sir,

SIR,

With reference to your letter No. L 5839-Ml.42-43-27 dated 6th December 1943 calling for the explanation of officers concerned for the delay in the submission of records relating to the election of the Vice-President of Bannur Municipality to Government together with a statement showing the periods of delay in the several offices, I have the honour to forward herewith for favour of perusal a copy of the report (No A5-55/43-44 dated 24th January 1944) received from the Sub-Division Officer, Nanjangud, explaining the reasons for the delay, along with the vernacular records pertaining thereto. It is seen from the report of the Sub-Division Officer and also from the vernacular records on the subject that the delay in the several offices was inevitable in view of the peculiar circumstances of the case like Mr. Linganna's resignation to the office of the Vice-President in the first instarce and his prayer lateron for his continuance ence again as the Vice-President, and the contest on the part of some of the Municipal Councillors for declaring Mr. T Ramiah alone as the elected Vice-President of the Municipality. The slight delay in the case of some of the offices was also partly responsible for the irregularity committed in the subordinate offices and their scrutiny - with a view to set right things - in the District office. Under the circumstances, as there is no appreciable delay on the part of any of the officers concerned, the records may kindly be seen and returned.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.

Letter No. A5-55/43-44 dated 24th January 1944 from the Sub-Division Officer, Nanjangud, to the Deputy Commissioner, Mysore District, Mysore.

Subject - Election of the Vice-President of Bannur Minor Municipality, T.Narasipur Taluk

---

With reference to your Memo No. D3.C 2296/42 dated 17th January 1944 on the above subject, calling for the explanation of officers concerned for the delay involved in the correspondence on certain matters connected with the Bye-election of the Vice-President of the Bannur Municipality, in all its stages in the several offices, I have the honour to submit herewith a statement indicating the several offices in which the question was dealt with together with the dates of submission and despatch. The records received from the Amildar-President of Bannur Municipality (as per pherist) with his report No. 154/43-44 dated 20th January 1944 received in my office on 23rd January 1944 are also submitted for kind perusal.

It will be kindly seen from the records that Mr. L Linganna tendered resignation to the office of the Vice-President on 27th May 1943, and the Municipal Council accepted his resignation at their Special general meeting held on 29th May 1943 In his report No. 282/42 dated 29th May 1943 direct to the Deputy Commissioner (which was received in the District office on 31st May 1943) the President solicited approval of the Deputy Commissioner for election of a Vice-President, submitting a calendar of events in this connection But the Deputy Commissioner was pleased to observe in his Memo No. D3-2296/42 ~~dated~~ returned direct to the Amildar-President (received in the Bannur Municipal office on 5th June 1943) that no calendar of events was necessary and that the calendar submitted was full of mistakes, and directed that the election should be held according to the rules and the result reported.

In pursuance of the above instructions, election proceedings were started and 17th June 1943 was fixed as the date for receiving applications for candidature for the office of the Vice-President From the President's report dated 30th June 1943 submitted direct to the Deputy Commissioner, it is seen that except one Mr T. Ramiah, no other Councillor offered candidature and in the circumstances, the President reported in his report No. 282 dated 30th June 1943 direct to the Deputy Commissioner that Mr. T Ramiah may be declared duly elected as the Vice-President of the Municipal Council This was received in the Deputy Commissioner's office on 4th July 1943 When this question was under disposal, the Municipal President submitted his revised proposal (vide his report No 33 dated 17th August 1943 to the Deputy Commissioner) to continue Mr Linganna as Vice-President, in view of the fact that Mr Linganna had personally expressed his desire to continue as Vice-President But the Deputy Commissioner was pleased to turn down this revised proposal in his Memo No D3 C 2296/42-43 dated 10th September 1943 and directed the Amildar to take charge of the office of the Vice-President forthwith and to continue as such, until further orders A copy of this memo was also received in my office simultaneously on 10th September 1943 and in my Memo No. A5-55/43-44 dated 11th September 1943 I asked the President to take action accordingly forthwith and submit a report for having done so. In this connection, I drew his attention to the standing orders of Government laying down that all references addressed by the Presidents of Minor Municipal Councils to the Deputy Commissioner should pass through the Sub-Division Officer concerned and instructed him to adhere to this rule Meanwhile, some of the Municipal councillors petitioned to the Deputy Commissioner on 1st September 1943 urging that the election of Mr T Ramiah as Vice-President without contest, may be approved and notified and this petition

was forwarded in the Deputy Commissioner's Memo No.De.C. 4176/42-43 received in my office on 21st September 1943 for enquiry and report. I also separately received by post a copy of this petition on 3rd September 1943 directly from the Municipal councillors. This petition received by me was referred to the Amildar-President in my Memo No. A5-Pet.100/43 dated 5th September 1943 for immediate report with records. In his report No. 59/43 dated 11th September 1943 received in my office on 14th September 1943, the President reported that the records had been already submitted to the Deputy Commissioner and his further orders were awaited. A portion of the election records were received from the District office on 17th September 1943 with Deputy Commissioner's Demi-official letter No. D3-2296/42 dated 14th September 1943, which was forwarded to the Amildar-President for expediting his report for submission to the Deputy Commissioner, on 20th September 1943 On 27th September 1943, the Amildar President, in his report No. 72/43-44 dated 27th September 1943 reported that he has taken over charge of the office of the Vice-President of the Bannur Municipality as ordered by the Deputy Commissioner.

No further report was received from the Amildar President regarding the Bye-election proceedings till I actually went to Bannur on 27th October 1943, when I got at the records from the Municipal office myself and then submitted my report No. A5-55/43-44 dated the 28th October 1943 together with the connected records on 28th October 1943 I also attach a statement of stages of pendency of the Bye-election records in several offices for kind perusal
